Dear Mr. Greto - thank you for this & your previous email. Both have been shared with all members of City Council. The Mayor, who City Council designates to prepare Council's agenda, is out of the country this week. Any member of City Council, including the Mayor, can submit an item for inclusion on the agenda. Thank you for your continued interest in Sanibel.

Judie Zimomra, City Manager

To whom it may concern: Has any action been taken on this request?
