Re: Additional Special Event Permits for Sanibel Community Association

Dear Council Members:

As we have 10 permits left for the year, we would like to request twenty (20) additional Special Event Permits for 2008. We respectfully request the City Council schedule us as an agenda item potentially for the March 18 meeting.

Additional events over the 10 requested for the 2008 include the following:
Shell Harbor (Mar 12), 3Cups of Tea (Mar 26); and the Sanibel Sea School Event (Apr 26).

I have also requested that a board member accompany me to this meeting. Since I'm also in the process of writing an Office Procedure Manual, I will certainly be sure to include this updated information because prior to this year, board members were not asked to accompany the manager to these meetings.

Sincerely,

Gloria Baker
General Manager
